

## **Not Sure about Switching?**

### **But how do I close my old checking account?**

We've provided a form for you to fill out, sign and then mail to your old financial institution. To make it even easier—we'll mail it for you .

### **But I have bills automatically paid out of my other account.**

We have a form that gives your automatic payees all the information they need to begin automatic payments from your new Purina Credit Union Checking Account.

### **But my direct deposit goes to another account.**

You can switch your direct deposit to your PCU account using our form or the form your employer or other payee requires.

### **But what if I want to check my accounts and pay bills online?**

Our Click-24 Online Account Access and BillPayer services are available 24 hours a day, 7 days a week for your convenience. Account Access is FREE and BillPayer is FREE for the first 90 days and then only \$2.95 per month.
